

# 7010BK

## VitriShield

### Disposable

### Specification Sheet

#### **PRODUCT DESCRIPTION:**

The 7010BK, VitriShield™ Black extends our current offerings in the unique VitriShield™ disposable glove selection. VitriShield™ is a unique bi-polymer that creates a new level of disposable protection and performance. VitriShield™ leverages the tensile strength of nitrile and the puncture resistance of vinyl. The 7010BK features a Black bi-polymer and aloe coating to create a comfortable glove that hides grease and grime. The VitriShield™ black is polymer-coated and the component materials comply with all federal regulations for food contact.

#### **FEATURES:**

- Black 4 mil. Vinyl/Nitrile Bi-Polymer
- Aloe coated
- Industrial grade powder free
- Polymer coated, 9.5 Inch length
- Component materials comply with all federal regulations for food contact
- 100 gloves per box/10 boxes per case

#### **APPLICATIONS:**

Automotive , Cafeteria, Food, Janitorial , Tatoo and Piercing, Dentistry
