ACER™

Classically stylish, now available with Forest CAMO frame and temples to appeal to the “Outdoorsman” in the workplace.

Product Features:

- Great protection with floating lens design that allows the frame to flex outward to fit a broader range of face sizes.
- Ballistic V_0 rated* for impact protection, 7x ANSI Z87+ energy. (4x Z87+ impact velocity)
- Broad and soft rubber saddle nose piece for greater comfort and impact protection to prevent slipping.
- Soft, over molded temples keep eyewear comfortable and secure.
- Fashionable straight back flexible temples provide a comfortable fit.

*Tested to US Military Standard MIL-PRF-31013 Impact Test.

Other Key Product Features

- Lenses: available in clear, amber or grey hard coat, clear and grey with Super-Coat™ anti-fog.
- SuperCoat™ anti-fog, washable coating provides anti-scratch and anti-static protection, as well as anti fog protection.
- Polycarbonate lenses absorbs 99.99% of harmful UV A, B and C, 180-380nm.
- Meets ANSI Z87.1-2010+, CE EN-166.
