

EYE
PROTECTION

OVR-Spec II™

Finally, a good looking Over-the-Glass that fits comfortably!

NEW Amber Lens

Clear

OVR-Spec II™

Cost Saving Solution to
Prescription Safety Glasses

Product Features:

- Fits over most medium sized Rx eyewear (up to 145 mm).
- Frame design maintains a space between the RX and safety lens so expensive RX lenses do not rub or scratch each other.
- Spatula temples with soft, rubber temple tips enhance comfort and holds eyewear securely and comfortably on head.
- Ballistic V₀ rated* for impact protection. 7x ANSI Z87+ energy. (4x Z87+ impact velocity).

*Tested to US Military Standard MIL-PRF-31013

Other Key Product Features

- Now available in Amber (NEW), Clear and Grey lenses.
- Provides superior all around protection.
- Lenses available in Amber, Clear and Grey hard coated for anti-scratch resistance.
- Amber lenses are suitable for work applications where sharpness, acuity and contrast are needed. Ideal for lab work, inspections, food processing facilities or working outside at dawn or dusk.
- Polycarbonate lenses absorbs 99.99% of harmful UV A, B and C, 180-380nm.
- Meets ANSI Z87.1-2010+, CE EN-166.
